

A CLEAR CHOICE FOR LT. GOVERNOR

Jill **VOGEL**
LIEUTENANT GOVERNOR

Justin FAIRFAX
For VIRGINIA Lt. GOVERNOR 

HEALTH CARE	Supports making health care more affordable by expanding competition and choice. Led the fight against Obamacare's individual mandate.	Supports Bernie Sanders' expensive plan for a socialized single payer system where everyone is forced onto government insurance.
IMMIGRATION	Supports the rule of law. Opposes sanctuary cities and in-state college tuition for illegal immigrants.	Opposes federal immigration enforcement and says Virginia should "resist" President Trump's enforcement. Supports sanctuary cities and in-state college tuition for illegal immigrants.
SECOND AMENDMENT	Earned A+ rating from NRA for protecting our rights in Virginia's Senate. Endorsed by NRA and VCDL.	Supports strong gun control, gun bans, and a "gun insurance" mandate for all gun owners. NRA F rated. Endorsed by Mayor Bloomberg's gun control group.
HISTORIC MONUMENTS	Believes we should teach history and not erase it. Will protect Virginia's historic monuments against runaway political correctness.	Supports removal at taxpayer expense. Called them "psychologically harmful" and says they should be removed for "celebrating slavery."
TAXES	Supports cutting taxes for all Virginians. Introduced legislation to make Virginia competitive with lower-tax states. Supports comprehensive tax reform.	Supports higher taxes on income, energy, food, gasoline, businesses, and families.
\$15 MINIMUM WAGE	Opposes a \$15 minimum wage. It is too high, would make Virginia less competitive, hurt manufacturing, and encourage job losses to automation.	Supports a \$15 minimum wage which lowered take home pay through lost hours when tried in Seattle.
RIGHT TO WORK	Supports Virginia's Right to Work laws. Believes no employee should be forced to join a union as a condition of employment.	Opposes Virginia's Right to Work laws and wants them repealed. Advocate for forced unionism at expense of workers.
ENERGY & PIPELINES	Supports an all-of-the-above energy policy and the construction of the Atlantic Coast and Mountain Valley gas pipelines. Opposes new energy taxes.	Supports job-killing Cap and Trade regulations and new energy taxes. Opposes building Atlantic Coast and Mountain Valley natural gas pipelines.
